

# Moonrise

From the solo piano CD *Between Shadow and Light*  
Available from [www.neilpatton.net](http://www.neilpatton.net)

NEIL PATTON

**Misterioso** (♩ = 88)

8<sup>vb</sup>  
"Bathed" in *Red.*; change ad lib.\*

(8<sup>vb</sup>)

(8<sup>vb</sup>)

loco

\*The recording of this piece features a very large reverb effect (i.e. "Cathedral" or "Cave"), plus a stereo delay (or echo) effect added to the piano. Using the tempo stated above, the left channel is set to echo on quarter notes, while the right echoes on the dotted quarters. Feel free to experiment with adding your own "finger echoes" manually as you play this!
